

STAFF APPRECIATION DAY!

PLEASE FORGIVE US

Due to unforeseen circumstances we will be **TEMPORARILY** closing the resident lounge for a short period of time starting November 1st. We truly apologize in advance for the short-term inconvenience. There are plans to hold limited activities in the lobby as necessary, which will include the annual holiday party in December.

We ask your understanding while we work out some logistics, and promise that this is a short-term situation.

NEED A NOTARY?

Gerry is available in the office, and the service is complimentary!

WE THANK YOU!

From our entire staff to you... We try our best everyday to meet your needs, and exceed your expectations. We try to be attentive, and we sweat the details. When Joedy Cooper approached us with the idea of hosting a staff appreciation lunch, we were very touched and honored. It is our pleasure to serve you our residents and friends.

SHOPPING CARTS

Please be courteous to our residents by returning shopping carts to the garage, or at least the back hallway after use. Several times last month there wasn't a cart available.

FOUNTAIN SLATED FOR DEMOLITION

Our signature circa 1963 fountain is slated to be demolished. We have formalized plans for a beautiful rock fountain to be constructed in it's place this coming spring. The area will incorporate multi layers of cascading water and bench seating.
