LANDSCAPE & SPRING CLEAN-UP

Spring is a hectic time for our grounds keeping team, but we have finished mulching, weeding and planting. This is a sweet time of year to observe all of our blooming trees, and to see the annual sprouting of our perennial flower beds. Take a moment to stroll the grounds and check out the details.

WHAT'S THAT CONSTRUCTION ON SUBURBAN ROAD?

We are in the process of building a 3 bedroom cape style home on the corner of Suburban Road on land that has been family owned for years. Upon completion, the home will be available for rent. Watch it grow!

RESIDENT LOUNGE PLANNED RE-OPENING WEDNESDAY

JUNE 14th

Thank you for your patience and understanding. We are making the re-opening of the lounge our top priority as soon as it becomes empty. We understand the sacrifices all have made not having the lounge, and we thank you for your continued patience as we work to get your lounge back on-line!
