Highland House

Volume I, Issue I

February 2009

Estee Lieberman Turns 100 years old ! She's Catching up to Walter Hildick at 102 !

On Friday February 13th Highland House management sponsored a birthday bash for one of our most awesome tenants Estee Lieberman. State Senator Harriette Chandler, State Representative Robert Spellane both issued official citations from the State House. Mayor Connie Lukes was also on hand to give Estee the Key to the City. Over 50 tenants and guests came to give best wishes to one incredible lady, and the Worcester Telegram & Gazette featured a front page article on Saturday. Walter Hildick, seen congratulating Estee in the picture to the right is 102! (There must be something magic about living at the Highland House!!!!!!)

It was our honor to be able to provide the makings for this wonderful event and hope to be able to continue to stage such events in the future for our tenants. Special thanks to Jeff Ray and his wife for the best baklava west of Mesopotamia!

Work on the Building Progresses...

We hope you have seen the difference a year makes since Niki, Joe, Jeff & Gerry have taken charge. With the advent of moving our office back to the building, we have become more accessible to our most valuable asset, you the tenants. The resident lounge has been a huge success thanks to an active and caring committee. Thank you Natalie, Marilyn, Blossom & Marsha. You have made a difference in many people's lives here!

Our new state-of-the art gas hot water heater project is complete. Many improvements are planned for the forthcoming year. This year we will con-

tinue our patio refurbishment program. We will be busy scraping and repainting patio ceilings, walls & floors throughout the summer. New carpeting is in the process of being picked out for the first floor, main lobby, and elevators. Additionally we are scheduling to replace the 5th floor hallway carpeting this spring.

Please contact the office regarding any concerns, suggestions or issues you may have. We are here to assist you in any way we can.

QUARTERS

We have a bank of rolled quarters for your convenience, so no need to run to the bank. Stop in anytime the office is open.
