IT'S LIKE MAGIC!

The back of the building project is nearing completion. Once all balconies are completed, then we will stain the outside floors. The curb-cut has been completed along with the new cement walk way. We hope you like it. Those in the back also noted that we did some tree trimming and cutting and removal of dead trees. May 1st the lobby carpeting and new porcelain floor tile is scheduled to be completed.

Luis Rodriguez

For those of you who attended Luis's going away party, it was one of the

most moving gatherings we have ever seen. Luis is in his home country of the Dominican Republic and through Felix wishes all of you his warmest regards.

REFER a FRIEND

Remember, if you refer a friend who becomes a tenant of Highland House, you will earn a free month's rent.
