## SEASONS GREETINGS!!!

### RESERVE THE DATE

**WEDNESDAY, December 10th** from 6:00-8:00 for our annual holiday party. Special guests will include State Senator Harriette Chandler and representatives from the Worcester Tree Initiative to talk about this years accomplishments. Highland House has partnered with the Tree Initiative to plant twenty (20) new flowering trees you see gracing our property.

### WINTER CAUTION

During the winter season please be extra cautious of your surroundings. Icy conditions can crop up quickly and without warning. Be safe, take your time when outside.

### ABBY'S HOUSE

We have chosen to help assist Abby's House during this season of need. Did you know that it costs \$35/night to provide a woman with a cozy bed in a warm room? Each Buy-A-Bed Box collection carton located in our common areas holds enough change to provide 2 nights of shelter for homeless, battered and low-income women, some with children. Please consider helping in any way you can.

On behalf of Joseph, Gerry, Jon, Jeff, Elisio, Pappi, Ray and Jeannette our warmest regards during this holiday season. We wish you a healthy and happy new year.

### SUGGESTIONS?

We are all ears! Drop off event or building suggestions to the office or rent drop slot.
