

SEASONS GREETINGS!

ANNUAL HOLIDAY PARTY

On December 20th from 5:00 PM to 7:00 PM we will hold our annual Highland House holiday party in the lobby. We will be very limited space-wise this year, but let's all think of it as cozy, versus constrained.

:-)

PLEASE DO NOT FEED THE ANIMALS!

Please understand that we greatly appreciate kind acts of resident thoughtfulness during this holiday season, however... due the constant fight regarding the "battle of the bulge," which we typically loose during this time of year, we respectfully request no baked goods for the office. We'll love you for it!

From our family to you and yours!

As we enter this holiday season we pause to reflect and give thanks for the many blessings in our lives. Our entire staff wishes you a healthy and happy holiday season and a sweet new year!

GARAGE DOOR

TRANSMITTER

Many newer cars come equipped with built-in garage door opener pairing; which eliminates the need for a separate garage door transmitter. If you are interested in eliminating some car clutter, stop by the office and we will schedule a time and attempt to program your car.

COLD WEATHER ICE WARNING!

Please pay close attention to icy conditions when entering, or leaving the building. We do our very best to keep sidewalks and driveways clear, and treated, however unsafe conditions can develop instantly. Use caution, be vigilant, take care, and most important, **be safe!**
