## SPLENDID GROUNDS!

### BBQ

#### CLARIFICATION

You **CAN** use electric BBQ's on your patio, or If you choose, you can use ours which is outside the Resident Lounge. We only ask that you clean it after use. If you are having company and want to reserve the BBQ, just make arrangements with the office.

### UNFATHERS DAY

Sunday, June 26th

2:00PM

Attention all Fathers! Stop into the Resident Lounge for hoagies, chips, and nonalcoholic beer. Kick back, watch some TV, and chat-it-up at this years *Unfathers Day* Celebration!

**We thank the continued support of Joedy, Sue, Barbara and Ed in pulling together as a team to put on these great events!**

### WATER USAGE

We have been diligent about monitoring the building's water usage for years, and despite our best efforts to realize conservation, overall usage continues to rise. The city has recently announced another increase in water rates. As we diligently work to control expenses; we are requesting your continued assistance in reporting leaks and sticking toilets. We ask that you to use this precious resource as if you are were paying the bill.

### WATERING YOUR PATIO PLANTS

Use caution when watering your patio plants. The overflow from your watering may drip down on the patio below you causing unexpected consequences!
