

WELCOME TO SUMMER!

WINDOW REPLACEMENT

As we head into May, we continue our on-going window replacement program. This year we will be replacing sliders on the front side of the eighth floor and assorted other units throughout the building. Please bear with us as we work to improve the efficiency of our building.

SUGGESTION OF THE MONTH!

We'd like to share a funny story. A resident on the 7th floor asked if we would consider replacing the metal container in the trash room with a plastic one to reduce the noise level when they take away the morning trash. The funny part about it, is that no one ever suggested this to us in the past! Not only does this simple replacement make less of a disturbance, but plastic barrels are easier to clean:-)

As is always the case, please give us your suggestions!

SUMMER REMINDERS

- No BBQ's on patios
- No birdfeeders (seed attracts rodents)
- No draped towels over balcony

LAUNDRY ROOM RENOVATIONS

We have completed floors 1 through 4, so be patient as we will be renovating your floor soon.

MAIL ROOM

We appreciate people's kind thoughts, but please do not leave any unwrapped food in the mailroom.

A SEA of COLOR

Hopefully you witnessed the beauty of color and goodwill as Sheila Tarlin transformed the lobby into an incredible sea of color as she distributed her flowers for the annual Pansies For Progress fundraiser. 100% of the proceeds go to support groundbreaking pancreatic cancer research at UMass Medical Center Cancer Center. Thanks to the residents of Highland House, this was her best year ever!

THANK YOU SHEILA!

Special thanks to Ed Hammerbeck & Joedy Cooper for their help!
