

# A HUGE THANK YOU TO TONY!

## PANSIES FOR PROGRESS

The Pancreatic Cancer Alliance is a non-profit, all volunteer organization that raises money to support research done at UMass Medical School to combat this deadly disease. 100% of the money raised goes directly to this cause.

Our "in house" photographer, Sheila Tarlin, is our official "Pansy Lady," volunteer, and she hopes that, once again, you will consider supporting this worthy cause.

Pansies will be delivered here the week of April 10th, in time for Easter and Passover.

**Sign-up sheet and ordering details are in the mailroom.**

**ORDER DEADLINE IS April 1st!**

## A TIP OF THE HAT FOR A JOB WELL DONE!

We are proud of the work done by one of Highland House's unsung heroes! For years Tony Simone has been bringing recycled Highland House books to the Worcester Public Library, after they have run their course in the building. The latest haul represents over seventy hard and soft cover books donated! The proceeds from the sale of these books helps the library defray operating costs of this great local institution.

*Thank you Tony!*

## CALENDAR OF EVENTS

Please see the posted calendar of events in the mailroom for April!

## RETURN SHOPPING CARTS FINAL WARNING!

There have been recent days when there have been no carts available because certain tenants continue to be inconsiderate of others.

Consider this a **FINAL WARNING**

that all carts will be removed if this behavior is not corrected.

Please, for the sake of others, be considerate and return shopping carts!

## OWNERS OF DOGS ATTENTION!

As the snow melts, we need to remind all dog owners that they are responsible for cleaning up after their pets. Please use the far side of the garage to have pets relieve themselves
