WINTER TEASE

Trunk Bay, St John USVI

Maybe looking at this picture will warm you up from the winter blues!

OUR JEANETTE

You may know her as Elli's daughter, or Rey's wife, or you may know her personally, but we are so proud of Jeanette and all that she does around HH that we wanted to highlight her this month.

Jeanette is a licensed Personal Care Assistant (PCA), she can legally dispense medications, test blood sugar levels, has training in nutrition, and has experience working with Alzheimer's and dementia patients. Jeanette also provides cleaning, cooking and laundry services. If interested in working with Jeanette, she is at the building most days and has some availability in her schedule **774-262-2483**

REFLECTING On Highland House

Many thanks to our "in house" photographer, Sheila Tarlin for this spectacular image of HH!
