

RESIDENT APPRECIATION PARTY!

FOOD DRIVE

Highland House is hosting a building – wide food drive on **July 12th**. Drop your canned goods and nonperishable food in the mail room on that day. Your generosity will assist the Worcester County Food Bank reduce hunger in our community. (Please check expiration dates on the food)

WE RECYCLE

We thought you'd be interested that Highland House works in conjunction with our waste disposal partner in what is called "Single Stream" recycling. Trash is sorted at the refuse transfer site where glass, paper, metal and refuse are segregated on a conveyor system. Ultimately the pure trash portion is converted into clean energy.

SAVE THE DATE

Please join us in the Resident Lounge on **July 12th** between 11:00 AM to 4:00 PM at the gazebo, (weather permitting), for our annual resident appreciation day summer event. We're looking forward to the opportunity to mingle with the residents and staff.

OUR LITTLE HOUSE GROWS

Our little Cape continues to take shape. We have a target date for completion around the end of October.

ELEVATOR FLOOR TREATMENT

Is it vinyl or is it carpeting? Believe it or not, it is a new high-tech vinyl that looks just like carpeting, but it wears like iron!

Compliments to Sheila Tarlin our "in house" photographer

RESIDENT LOUNGE IS BACK IN BUSINESS!

To say our residents are ecstatic to have the lounge back is an understatement! As promised, the lounge is back on-line. Remember, if you wish to reserve the room for a private party, please schedule the event with Joseph.

THIS BUILDING'S SECURITY STARTS WITH YOU!

Please, **DO NOT** let anybody that you do not know into the building, or buzz-in anyone who is not known to you!
