

ONCE AGAIN, IT'S PANSEY TIME!

ROAD PAVING UPDATE

Our City Councillor, Tony Economo, has informed us that the Department of Public Works will be repaving Suburban Road sometime during the upcoming paving season. We applaud Tony for his assistance in assisting all the residents of Highland House! FYI, Tony will be retiring from City Council this year .

A SEA OF COLOR

Once again the lobby was filled with color and heavenly scents as Sheila Tarlin, Ruth Berman & Lorraine Kronberg helped sell & deliver nearly 300 containers of Pansies to residents throughout the building, and to friends. This month's "tip of the hat" goes to Sheila and Ruth for a job well done for a great cause!

COMMUNITY ROOM UPDATE

The news you have been waiting for is coming soon! The community room will be **back on-line on June 14th!**

Thank you for bearing with us through this period of flux. We know how much this precious resource means to all the residents.

INSURANCE REMINDER

As your renter policy renews, please remember to stop by the office and drop off a copy!

FINALLY THE FOUNTAIN!

We now have a working fountain, and our stone mason is putting the finishing touches on the project.

Resident input has helped us tweak the final touches of the project, which should be nearing the finishing stages quite soon. Meanwhile, please enjoy the surroundings. Chairs are out at the gazebo and stroll the grounds to see everything getting ready to blossom. We will be spreading mulch, planting flowers and doing a spring clean-up.

LAUNDRY ROOM

EDIQUETTE

How would you like to wash your clothes in a dirty laundry room?

Please leave the room in the same condition you found it. Please let the office know if a laundry room needs attention.
