

ELEVATOR RENOVATION!

THE CHINESE YEAR OF THE DOG

We all know how photogenic HH's dogs can be, so here's something of interest.

Nancy Chang's Restaurant is running a photo contest (see this week's Worcester Magazine for details) You can upload your dogs' photos, and the winning entry will receive \$250 to be used at, where else but, Nancy Chang's. Entries must be made by February 11th.

Upload pictures to:

Entries will be judged for creativity and dog-gone cuteness!

ELEVATOR WORK TO BEGIN THIS MONTH

The planning over the past six months comes to fruition starting sometime in

February as HH embarks on a total rebuild of it's twin elevators. Cabs will be renewed, along with all electronic controls and drive systems. The project should take

approximately a month. During the construction period there will always be a fully operational elevator. Watch for a huge crane which will be hoisting heavy components up to and down from the rooftop control room.

HH MATCHES COOKIE SALES TO BROWNIE TROOP!

Our adopted Daisy Brownie troop earned a bonus of \$325 by HH matching their sales to residents.

The troop is sharing this windfall by donating half to Veterans Inc.

It goes to show what goes around comes around!

CUBA BOUND!

Rey and Jeanette will be on an extended vacation to visit Rey's family in Cuba for most of the month of February.

Rey has resided in the United States for nine years, and has been a valued member of the Highland House team for the past seven years. They will be back!!!

Our best wishes!
