

## EXPANDED WALKWAYS FOR OUR RESIDENTS

### FOOD DRIVE

HH will be hosting its annual building-wide food drive in July. Through the generosity of HH residents last year; we donated over 200 pounds of canned goods and non-perishable food items to the Worcester County Food Bank. Your efforts help combat hunger in the central Worcester county. Watch for postings in the mail room and resident lounge for details on this community wide event.

### SEE A PHOTO OPPORTUNITY?

If you have something noteworthy to share, please submit your item, which could be a photo or story via e mail to the office. We will do our best to accommodate.

### GREENWAY GROWS!

At the suggestion of Sharon, a future resident, we expanded our walkway to create easy, level walking access to all sidewalks. What better way to get some fresh air and take in the grounds? Another great idea implemented!

*THANK YOU*

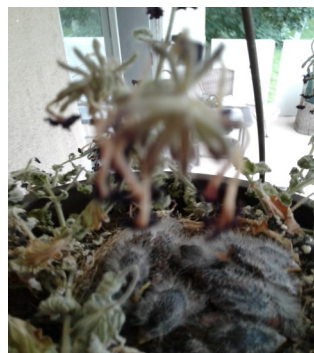

### PUTTING PRACTICE

We thought you might like to try out our mini putting green in the side yard between the garage and building.

*SEE BACK-SIDE OF NEWSLETTER FOR July's CALENDAR OF EVENTS*

### NATURE ABOUND UP CLOSE & PERSONAL!

This month we'd like to give special thanks to two residents: Jeanne Turchek for submission of the Robin's eggs and nest photo, and to Pat Couture for submitting her photo of recent hatchlings now habituating a sweet spot on their balcony too. Until we experience these little miracles of nature up close; we often take these blessings for granted. Thank you for sharing these beautiful pictures to share.
