

PICTURE PERFECT!!!

FOOD DRIVE FOLLOW-UP

We thought you'd like to know that through your generosity over 209 pounds of food were donated and directly brought over to the Worcester County Food Bank.

Thanks goes out to Susan Smith for taking charge of this mission.

WE THOUGHT YOU MIGHT FIND THIS INTERESTING

This is one of the two brains that control our new elevators!

WINTER IS COMING...

We have had our first freeze, so it's time to issue our annual warning. We do our utmost to sand and salt the sidewalks, parking lots, and driveway to keep it safe.

However, it is inevitable that ice will form. Please be safe and pay close attention to weather conditions.

THERMOSTATS

For optimum performance, please keep your thermostat in the **AUTOMATIC POSITION.**

Please check your sliders and side windows to make sure they are closed and locked when not in use during the cold weather.

Thank you for helping control our natural resources.

TALK ABOUT WOW!

A big thank you goes to Harriette Katz for capturing this incredible rainbow!

DOG OWNERS PLEASE...

- Walk your dogs in the area across from the garage to let them do their business.
- Please pick-up after your dog with a sealable plastic baggie.
- Dispose of the baggie in either the dumpster, or in one of the metal trash cans in the trash room.
