SAINT PATRICK'S DAY BASH!

And what a party it was! Over 25 leprechauns attended this year's party. People got into the holiday spirit by getting dressed up and had a blast! Great food, including corned beef sandwiches, fries, onion rings, cupcakes and brownies. Special Thanks to Joedy Cooper, Sue Hammerbeck, Barbara Student and Pat Doherty for volunteering their time to make this year's party a memorable one.

PLEASE DON'T USE:

- ◆ Toilet bowl cleansers that you hang on the bowl and turn the water blue. These cleansers prematurely rot out the internal toilet mechanisms!
- ◆ Double ply toilet paper. The chance of clogging your toilet is almost guaranteed!

THANK YOU FOR YOUR UNDERSTANDING!

We know that having one elevator is causing challenges, and we apologize for the elevated levels of noise during the construction period. Our techs are trying to balance limited disruption of service with noise levels, and often times these issues conflict. Please bear with us as we work to finish the project.
