

## DID YOU KNOW?

### HERE IS AN INTERESTING THOUGHT.

For people that do not have a smart phone, there is a service called Go Go Grandparent. By calling Go Go at 1-855-464-6872 the operator can book an Uber or Lyft ride for you and monitor everything as long as you are in the vehicle, even sending a phone message or text describing the kind of car, name of the driver and estimated ETA. The service charges \$.27/minute in addition to the Uber or Lyft charge. It could well be more economical than calling a taxi.

### A PERSONAL NOTE FROM SHEILA TARLIN

“How can I express my deep gratitude to all of you for your prayers, cards and well wishes during Jack’s hospitalization and now with his passing. To come home to find your cards and notes waiting for me helped make all this bearable. I feel so blessed to be living here and so did Jack. Almost daily he expressed that sentiment.”

LOVE,

Sheila (and Jack in spirit)
