

SPRING = PANSIES!

INTRODUCING OUR SHORT- TERM GUESTS!

Say hello to our very important team from Worcester Elevator: Paul, (l) and Justin (r). Paul has been employed with Worcester Elevator for twenty years. He is the lead tech for all work on our elevator project.

Please bear with Paul and Justin as this project proceeds. We apologize in advance for any unavoidable construction noise, and any inconvenience caused by having only one operating elevator.

 That was a brand new crane with a 240 foot stretch, and it cost over \$1,000,000!

IT'S ALMOST SPRING

That means Pansies are just around the corner. To remind HH residents, old & new, the proceeds from the purchase of pansies support research for Pancreatic Cancer at UMass Medical Center right here in Worcester. 100% of the money raised goes to research!
