

HIGHLIGHTING JON RADIN

TRASH ROOMS HELP!

We are asking all residents to please securely seal any bag going down the trash chute. This may sound like a small request, however it's a big deal when these unsecured bags hit the bottom of the bin. Please help out our staff in this regard! It would be greatly appreciated!

WE'RE PROUD OF OUR TEAM!

Our long-term employees and residents are our greatest assets. We'd like you to know that we have decades of experience in helping to make HH a special

place to live:

- Rey** 10 years
- Pappi** 10.5 years
- Jon** (see sidebar)
- Jeff** 14 years
- Gerry** 11.5 years
- Joseph** - Lifetime

VOTING ON YOUR MIND?

With election season heating up, your vote is more important than ever this year.

Learn all you can about the candidates and make informed decisions. On a local level, you may have noticed the two political signs at 310 and 314 Highland Street. We warmly endorse Tony Economo for all his diligent work in assisting our residents in getting the new sidewalks and road work that was so desperately needed for Suburban Road.

THE UNSUNG HERO OF HH...

Many of you may not know that Jon Radin was a resident for several years before becoming HH's in-house Courtesy Officer, a position he has held for the past nine years. Jon gets great satisfaction in helping to make a difference in our residents lives. He enjoys resident & dog interaction, and happily works to resolve resident issues during the off hours.

Jon, for a job well done, we openly thank you for making HH a community, and not just a residence.
