

# WELCOME NEW RESIDENTS!

## IN THE EVENT THAT YOU BURN SOMETHING ON YOUR STOVE...

Open your rear slider! If you open your front door it will cause the building alarm to go off!

## SHOPPING CARTS

Please return shopping carts to the garage when you finish with them. That way they'll be available for the next person

## HERE COMES THE GIRL SCOUTS!

The weekend of November 9/10 the Girl Scouts will be at HH to help residents with moving items into storage, bringing in groceries, organizing a closet, or assisting residents to help with a project to make your life a little easier.

There will be a sign-up sheet in the mail room. FYI, there will be direct adult supervision along with a scout to help you.

## HIGHLAND HOUSE WELCOMES:

  - ◆ If you burn something on your stove, open slider to dissipate smoke.

## PAWSITIVELY FOR PINK

The building-wide event for this worthwhile breast cancer fundraiser netted \$380 to help toward assisting underserved women in need of financial assistance living in Worcester County. The resident lounge was at full capacity! Highland House provided the pizza. We want to thank Pauline Gallant for her effort in putting on this wonderful event!
