## PLANS FOR 2019 ANNUAL FOOD DRIVE ARE IN MOTION!

HH will be collecting food during the third week of October from October 21st through October 27th. You can drop off your items to the office or the Resident Lounge. The Worcester County Food Bank respectfully requests that you check the expiration dates on anything you donate, since expired food products will ultimately be rejected when the items are sorted at the food bank. Unopened bottled goods and packaged products will be gratefully accepted.

We would like to acknowledge Susan Smith for taking charge of this worthwhile project. It is hard to comprehend that hunger affects 1 in 12 people, and worse, 1 in 9 children living in Worcester County. Last year the WCFB collected over 6,000,000 lbs. of food, which was enough to distribute 5,100,000 meals to 75,000 people! PLEASE HELP THE LESS FORTUNATE!

## PREVENTATIVE MAINTENANCE

October means the start of our semi-annual comprehensive apartment maintenance program. We will be changing air filters, checking for leaks, and for the proper functioning of all systems in your apartment home.

## INTRODUCING JANE WYMAN!

Many of you may already know Jane, who has been a resident here since May, but what you may not know is that Jane is a licensed homecare nurse with more than 15 years of experience, in assisting with medications, dressing changes, personal care, and shower safety. Jane has some availability, on a part-time basis, to assist Highland House residents.

She can be contacted at
