

**HAPPY HOLIDAYS &
 SEASON GREETINGS!**

**HOLIDAY
 TIME IS SCAM
 TIME!**

Although scams go on year round; stay even more vigilant during the holiday season. Never give your personal information to anyone over the phone, and that includes scammers posing as debt collectors, Social Security or IRS agents, or even the scam where *propoorted* relatives who claim their passport was stolen and they are “stuck overseas” with no money. Unless you are 100% positive of who you are talking to, (such as your Dr.’s office), never give out your Social Security # and / or your date of birth. Screen all telephone calls and answer calls only from people you know. Do not respond to any robocalls Don’t become a statistic!
