

HAPPY NEW YEAR!

TAX TIPS FOR THE NEW YEAR!

Senior citizens may be eligible to get up to **\$1,130** in a state tax refund even if you have no requirement to file a federal tax return!

The **SENIOR CIRCUIT BREAKER TAX CREDIT** is worth your while reviewing to see if you qualify.

Additionally, if you are required to file a state income tax return, don't forget to take the state renter's deduction of \$3,000. Stop by the office if you have a tax question; Gerry or Paul will help to share their collective tax wisdom.

HOLIDAY PARTY

Our special thanks goes out to Joedy Cooper, Barbara Student, and Pat Couture for volunteering their time to help make our annual holiday party a real success. Over sixty residents, in addition to our staff, and guests enjoyed great food from Peppercorn's, and were also treated to Holiday caroling by our local Girl Scout Troop.

PLEASE BE AWARE OF YOUR SURROUNDINGS

We try our best to plow and salt all the walkways and driveway, but melting and refreezing is a fact of life in New England. Please use caution and be aware of your surroundings when outside and use extreme caution.
